INSTRUCTIONS

This application includes the necessary information to properly apply for alternate merit badges on the route to Eagle Scout. Below, you will find the steps to follow from the initiation of the application to the awarding of the Eagle Scout rank.

1. The unit leader (Scoutmaster, Coach, or Advisor) initiates this application on behalf of a Boy Scout, Varsity Scout, or qualified* Venturer (candidate).

2. Follow the instructions on this application to determine the alternate merit badge(s).

3. Secure a clear and concise medical statement from a physician licensed to practice medicine, or a school administrator, concerning the Scout’s disability.

4. The unit leader and unit committee chair hold a conference with the candidate and his family present. They determine the alternate merit badges for those requirements which physical or mental disability prevents him from doing.

5. The district or council committee then reviews the proposed alternate merit badges. (If approved by the district, its recommendations would be forwarded to the council committee for final approval.)

6. After council approval, the candidate starts to qualify.

7. Upon completion of the Eagle Scout rank requirements, using the alternate merit badges, the candidate appears before the board of review. This application should be attached to the Eagle Scout rank application.

8. Following a successful board of review, the council processes both applications and forwards them to the National Eagle Scout Service. The local council action on the use of alternate merit badges for the Eagle Scout rank does not require National Council approval.

*In order for a Venturer to be an Eagle Scout candidate, he must have achieved First Class rank as a Boy Scout or Varsity Scout.
1. The Eagle Scout rank may be achieved by a Boy Scout, Varsity Scout, or qualified* Venturer (candidate) who has a physical or mental disability by qualifying for alternate merit badges. This does not apply to individual requirements for merit badges. Merit badges are awarded only when all requirements are met as stated.

2. The physical or mental disability must be of a permanent rather than a temporary nature.

3. A clear and concise medical statement must be made by a physician licensed to practice medicine, or a school administrator, concerning the Scout's disability.

4. The candidate must earn as many of the required merit badges as his ability permits before applying for an alternate merit badge.

5. This form, Application for Alternate Eagle Scout Rank Merit Badges, must be completed prior to the candidate's qualifying for alternate merit badges.

6. The alternate merit badges chosen must be of such a nature that they are as demanding of effort as the required merit badges.

7. When alternates chosen involve physical activity, they must be approved by the physician.

8. The unit leader and the board of review must explain that to attain the Eagle Scout rank a candidate is expected to do his best in developing himself to the limit of his resources.

9. This application must be approved by the council committee responsible for advancement, utilizing the expertise of professional persons involved in Scouting for the disabled.

10. The candidate's application for Eagle Scout must be made on the Eagle Scout Rank Application, No. 58-728, with this form and the Eagle Scout Leadership Service Project Workbook attached when submitted to the council for his Eagle Scout board of review.
